

THE PHILANTHROPIC COMMUNITY'S DECLARATION OF ACTION

Coinciding with the Truth and Reconciliation Commission of Canada (TRC) holding its closing events in Ottawa, a group of Canada's philanthropic organizations (The Circle on Philanthropy and Aboriginal Peoples in Canada, Community Foundations of Canada, Philanthropic Foundations Canada, The Counselling Foundation of Canada) have prepared The Philanthropic Community's Declaration of Action (The Declaration) committing to ensuring that positive action on reconciliation will continue.

The Declaration is a call to action inviting others to join in moving forward in an atmosphere of understanding, dignity and respect towards the shared goal of reconciliation.

The Declaration is meant to be signed by philanthropic organizations who wish to make a commitment to using their philanthropic resources in service to Reconciliation. Ideally, the highest level of decision making authority for your organization should be the signatory to the Declaration.
